Week 1**

Dear PLES Families,

Thank you to everyone who helped make our Halloween Howl such a wonderful success! We are grateful for the support of our volunteers, staff, and families who helped create a fun and memorable evening for our students. Our Remembrance Day Assembly is coming up, and families are welcome to attend. We will once again be creating a tribute slideshow to honor those who have served or are currently serving. If you would like a photo included, please send it to the school. Even if you have shared a photo in previous years, we ask that you resend it. As part of our continued focus on kindness and belonging, a tree is being painted on the library windows. When staff notice students demonstrating Random Acts of Kindness (**RAKs**), they will have the opportunity to add a leaf to the tree. We look forward to watching our kindness tree grow throughout the year as we celebrate the positive impact our students have on one another.

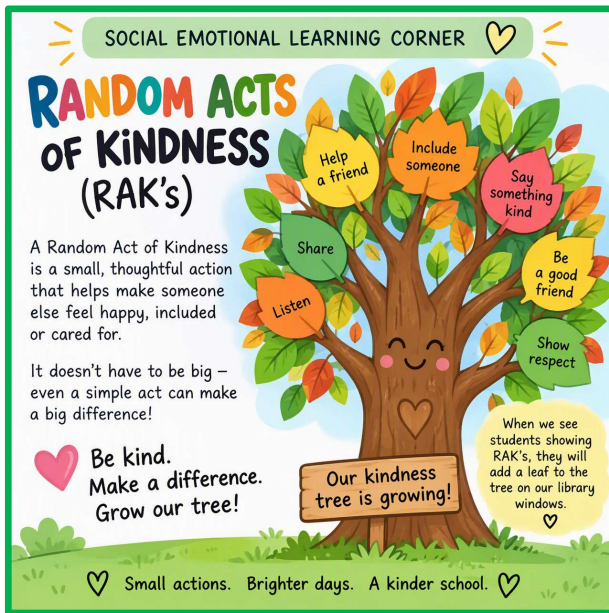

Students can also look forward to our Halloween activities on October 30. Teachers will communicate details about classroom activities directly with families. Reminder: Masks are ok but weapons are not with costumes. We are a nut free school.

As we prepare for our Remembrance Day school ceremony **(November 4th @ 10:40 a.m.)**, we would like to honor the family members of our students and staff who have served, or continue to serve, in military roles. If you have a photo of a family member you would like included in our Remembrance Day presentation, please email it Mrs. Hart (kelly.hart@hrce.ca) with their name, relationship to your child(ren), and branch of service (if desired).

Thank you for helping us recognize and remember the sacrifices, service, and dedication of those who have served and continue to do so. We kindly ask that photos be submitted by Monday, November 2.

With many of our students travelling to and from school by bus each day, we're sharing a few important reminders to help keep everyone safe and comfortable.

- Please save snacks and treats for before or after the bus ride. Food is not permitted on the bus, as it can create messes, distractions, and potential concerns for students with allergies.
- Students should remain seated while the bus is moving. Staying seated helps drivers focus on the road and keeps everyone safe throughout the trip.

Thank you for reviewing these expectations with your child. Working together helps ensure a safe and positive bus ride for all students!
