**ADDITIONAL INFO**

\*\* Please note that students will not be able to store their supplies at school this year if COVID-19 restrictions are still in place. Please do not put all of the supplies in the backpack if it becomes too heavy. Students won't need a full package of looseleaf or all 20 pencils on the first day. Our teachers will communicate with you should your child's supplies become diminished.

- Please **label** all supplies with the student's preferred name (initials on pencils), even footwear!
- Please do not hesitate to contact the school or the Eastern Shore Family Resource Centre if you have a financial concern
- Although quantities have been listed for the first day and January, some items may need to be replenished throughout the year

\*\*Helpful suggestions from teachers when shopping:

- Staples/Walmart often have sales making high quality items more affordable than Dollar Stores; watch for their promos!
- It is worth a few extra cents to buy high quality pencils as they sharpen more easily.

DON'T STRESS PARENTS/GUARDIANS! Do what you can. We will make it work!
